About Us

SVSS is an organization with existence of above 3 decades and has been started in the year 1988. We have delivered successful development projects under the ramparts of Government of India, Government of Madhya Pradesh Viz. National Health Mission (NHM), Ministry of Justice partnering with United Nation Development Program, National Council of Science & Technology Communication -Department of Science & Technology, Women & Child Development Department Govt. of India, Unicef, World food program, UNFPA, UNDP, NABARD, NAFED & Other departments, CSR Program with Corporate Houses. Our organization has been doing hard work tirelessly in the fields of Women Empowerment, Child Rights & Protection, Adolescent's Health, Water & Sanitation, Natural Resource Management, Science & technology promotion, Community Organization & Mass Communication by - Community Radio , Rural Development, Health & Hygiene and Capacity Building,

GEOGRAPHICAL AREA OF OPERATIONS

We have traditionally operated in the states of Madhya Pradesh and Chhattisgarh. Our operations have been in the districts of Bhopal, Sehore, Vidisha, Raisen, Dewas, Shajapur, Singroli, Anuppur and Shahdol in the state of Madhya Pradesh. We have also been providing services to the people of Bilaspur, Mungeli, Korba, Surguja and Koriya districts in the state of Chhattisgarh.

OUR PROJECTS AND PILLARS OF OPERATIONS

HEALTH AND NUTRITION

Health is the vertical, that is the mainstay of the organization. We partner with National Health Mission (NHM), M.P. State ADIS Control Society & LEPR, IDF, UNFPA & other Agency for implementing. We have delivered capacity building training of ASHA workers, Implementation Partners of Rashtriya Kishore Swasthya Karykram (RKSK) Adolescent Boys & Girls between 10 to 19 Age groups, Partner with Participatory Learning & Action (PLA) program. We work for the development women's & adolescents for menstrual health, Maternal Health, Infant health & nutritional health. We have also successfully delivered programs of capacity development of communities for Tuberculosis and HIV AIDS. There has been successful completion of awareness programs on Sexual Productive Health Rights, Science of Adolescent Health & Nutrition.

WATER & SANITATION

SVSS has successfully implemented Total Sanitation Program at Dist. Bilaspur & Janjgir of CG & District - Burhanpur of Madhya Pradesh, delivered SHE Project at District Bhopal under CSR, Safe drinking water facility. Child friendly toilets & urinal units under CSR Support My School Season II at District - Rajgarh of M.P., successfully implemented roof top rain water harvesting treatment structure at district - Rajgarh & Bhopal under CSR programme, established safe drinking water RO water units at village - Amla Block -Fanda of district Bhopal, M.P. & established safe drinking water RO water units for patients and attendants and for hospital staff at district hospital of district Bilaspur, Block hospital Ratanpur and old age home of district Bilaspur of CG., We have been able to deliver the desired outcomes in the programs and have achieved increased levels of awareness for better sanitation and hygiene in the target groups of children and women.

The society and communities at large have been delivered awareness programs with the outcome of better understanding towards water conservation, clean water, Access to Water, Water Harvesting, Plantation.

We have also been successful in delivering construction of toilets in the target areas as well as delivering awareness programs in right usage of toilets in the rural areas.

ADVOCACY AND CHILD RIGHTS

We have brought to right conclusion the programs of Right to Access Justice, Child Rights Observation, BRIDGE. The programs have been erected on creating awareness on child rights amongst the children and their parents. BRIDGE Project was targeting the strengthening of local self governments in activation of gram sabha and we have delivered capacity building exercises to. The programs were supported by different agency viz. UNDP, UNICEF & IGSSS. And partnering with Ministry of Justice GoI, Women & child development department.

EDUCATION

SVSS has participated in ASER (Annual Status of Education Report) since the year 2013. An annual survey of rural schools is undertaken to grasp the actual status of schools' education in the rural areas of India. There are interviews and Practical Sessions conducted with the school students. The delivery has been recognized every year.

WOMEN EMPOWERMENT

Women empowerment is a major vertical for maximum NGOs in India and World Over. Maximum of the times the route of SHG and Livelihood generation is thought to be the one and only way. There are many organizations working on rights and advocacy for the women. SVSS has addressed the issue in its own unique way by entering through SHGs and Livelihood creation under the auspices of NABARD and Self-Funded Programs and then reaching the community dialogue mode for empowerment of the half of our society.

NATURAL RESOURCE MANAGEMENT

SVSS has been a part of environmental practices and enhancement activities since the start. We have been performing under the projects of Capacity Building of JFMCs, UNICEF-WFP's for forest conservation and maintain biotechnology eco system and aware the community by awareness programs on environment and wetland Conservation, natural resources conservation and management. The programs have been successfully delivered under the sponsorship of, UNICEF - World Food Program (WFP), Forest Department and UNDP. We implement Wise Water Management program at district Burhanpur of M.P., Ponds & stop dams unit creation for underground water recharging and increase moisture at village Servar & Amla of Block Fanda District Bhopal.

LIVELIHOOD DEVELOPMENT

We have been working for the economic upliftment of the artisans of Indian Handicrafts and also forest dwellers. The idea has been to develop a cluster and its business plan to ensure that the livelihood of the target group is planned and a level of business activity is achieved during our handholding.

We create the environment of handholding, wherein the participants are trained in business management, marketing, accounting, profitability management. The delivery has been that the beneficiaries develop a running model of business and are getting an income of about Rs. 10000 -15000 per month from the activity.

VOCATIONAL AND SKILL TRAINING

Vocational and skill training have been an integral part of the philosophy of SVSS and we have been providing training in Computing Skills with support from WCD, Stitching and Embroidery with support from WCD and finally various skill programs to entrepreneurs and farmers.

We have enhanced the skills of farmers in hydroponics, polyhouse farming, Green House, medicinal plant cultivation and compositing. The other programs delivered have been on Faculty Development of School Teachers, Capacity Building of Panchayat Officials, Capacity building of SHG members.

AGRICULTURE

SVSS has been delivering projects of cluster formation under the auspices of NABARD's PODF scheme and now Ministry of Agriculture Central Sector - CBBO Scheme.

Scheme of formation of 10000 FPOs. 37 Clusters have been set up under the guidance of SVSS and our organization has been monitoring the FPOs formed in the blocks of Sanchi, Badi, Silwani, Kannaud, Khategaon, Mohan Badodiya, Shajapur, Shujalpur, Kalapipal, Sehore, Nasrullaganj, Rehti, Phanda of Madhya Pradesh & Lundra, Mainpat, Mungeli, Lormi, Baikunthpur, Sonhat, Kota, Masturi and Bilha of Chhattisgarh. Apart from the formation of cluster, we have been delivering interventions regarding collectives formation, Agribusiness Promotion, Transfer of Technology, Technical Training & Capacity Building, Composting etc from MPCST, Department of Agriculture, Ministry of Rural Development, Agriculture Technology Management Agency (ATMA), National Bank for Agriculture & Rural Development (NABARD) and NAFED.

MASS MEDIA AWARENESS & COMMUNITY DEVELOPMENT

SVSS has been granted license to operate community radio station (CRS) in Sehore District and has been running the operations of the community radio. The CRS has been used for various sponsored programs as well as to spread the messages of government schemes, benefits, and community cohesion. We have been in constant community dialogue with the people under various projects of community development and harnessing technology for daily needs. SVSS has also develop a Documentary on Endogenous Tourism for a project supported by UNDP in the state of Madhya Pradesh for BIRD organization .

RESEARCH & DOCUMENTATION

Research has been one of the mainstays of SVSS as an organization. We have delivered research on various topics to our donors especially Government and UN Wings. We have delivered research and documentation on Nutritional Requirements and Impact Studies of ICDS, Community Needs Assessments, Evaluation of SHGs, Socio-Economic Surveys, Sanitation and Training & Vocation Needs Identification. We have been awarded by our donors for

INFORMATION, EDUCATION & COMMUNICATION

IEC activities have been conducted through our Community Radio Services in the district of Sehore. We also have develop large number of IEC material for our different projects viz. Agriculture, Access Justice, Water & Sanitation, Environment, SHG, Forest etc in different form viz. Pamphlets, Study Material, Book's, poster's, Colanders' Hand outs etc.

OUR PATH

SVSS has traveled a path of 34 Years now from its inception in 1988 We have grown from a meager few thousands of donations and projects base to a high of donations / projects revenues of up to two crore's rupees. We have grown from a single district of operations to operations in two states now. We have set our eyes on a gross project revenue receipt of a hundreds of crore and operations in about 15 states and 100 percent districts of these states.

OUR VISION OF FUTURE

We have envisaged to be engrossed in the pillars of future. Community Development Livelihood Development Agriculture and Allied Activities Vocational and Skill Training Health Research & Documentation

- WASH – Water, Sanitation and Hygiene Information Education and Communication (IEC) Advocacy / Child Rights Natural Resource Management
- Education Financial Inclusion
- Women Empowerment Art and Culture Environment

ROAD AHEAD

Our vision is to invest our time and team in the modernization and self-sustainability of communities especially in the rural areas. We would like to promote sustainable development. This can include making a pattern of life which is dependent on the locally available resources, resource planning for the communities to attain self-sustainable life and life cycle.

Our institution will be instrumental in implementing water conservation and regeneration, craft regeneration, promotion of handicrafts and dying arts, holistic education, adult health education, institutional development, back to values of life, health first, preventive health mechanism.

OUR APPEAL

Let us usher in a new era of holistic and mindful development of our country and country-side. Let use this opportunity of us coming together to develop a life style that will be ore in sync with the nature and also more in sync with the requirement of nation and community rather than the individual.

Partner us in our vision of growth of our nation and betterment of every life that comes in our contact.
